2. [redacted] was instructed to retain these items pending further advice from this Headquarters. We also promised that activity an interim "reading" by 31 December 1967 on contemplated disposition actions.

3. Request your comments regarding potential utilization for this sensor, either in our on-going programs or elsewhere in the Community. Disposition instructions should include the tech data, manuals, etc., for the system. Note that this does not preclude the long-time SCOPE COTTON storage of the system within the PSO, if such is decided.
